The following is from Peggy Siegel:

I need an approval on the trip to Cannes or else I will lose my hotel! Will you let me go? Did you receive my budget....The budget I gave you had a medium hotel room rate, that room is gone now. The only thing left is a room in the back of the hotel (which is less) or a room on the ocean which is much more. The budget I think was \$37,000. Can you call me and let me know? I really need an answer asap.
