We are trying diligently to do 20k per month but due to cash flow we cannot always do it at once and have to do multiple payments.

Thanks for the update

Once I receive statement and review we can go over any questions you have.

I saw email with 10,000 pay down. Is that a portion of 20,000 per month or will this month be different

Thanks

I should have a mid year statement for you after the 4th of July. Things are going good. Actually, I am far from cool in Florida it is hotter than hell. I have rarely spent this much time here in the Summer. Probably will head to NY for spell in July and may actually want to seek your advice in a couple things moving forward.

Best,

Jeff
