Woody is a great idea. Do you know Woody? I do.

Could there be any resistance because he had a public issue with Soon-Yi?...just thinking ahead.

Woody is very friendly with Lorinda Ash, who I think is weird. He may feel better if people he knows are around. On the other hand a royal may intrigue him.

The other thing we could do...is, I have a dvd of "The King's Speech" and we can show it to him...but we can't tell anyone.
