[REDACTED] I am working on various layouts for the steam room, especially the larger slab that Jeffrey asked for. Also the layout of the exterior shower, bench and planters. I need to work out the stone wall panel sizes inside and out for the electrical layout, tub layout for drain and piping, and other construction questions.

I have nothing for a to buy list, the stone, wood, construction supplies and etc. will be purchased by LSJ construction.

Regards, Doug
