<<Notes on Dubai Opportunities,v2.1.doc>>

Please find our collective "bullet point" notes on our trip to Dubai .

We would welcome the opportunity to go through each point and dialog through them.
We have several ideas that the trip inspired and would like to present those as well.

I have made an appointment with Lesley to see you on 12.15 Thursday I am hoping we can conference in David
at that time if you think it would be appropriate.

Best
