hi rich,
so this is a new invoice for the time period april 23rd to may 23rd.
beside this there are reimbursement of expenses in amount of 285.55 \$, i'll send you
another e-mail with all the receipts attached.

.....
i checked my bank account today and i saw that i got in my account a wire transfer but
only 50% from my last invoice plus reimbursement of expenses.
do you know why i got only 50% and not the entire amount?
thank you
nicola
