Jeffrey,  
just wanted to let you know, it was totally the girl working the counter at St. Thomas Jet center's fault for not making the call to customs last week. I thought it was important for you to know, since I questioned if STT customs was giving us a hard time or lying.

In the future, I have instituted that Pilots will make the to customs in STTI instead of our handlers, in the past customs would get irritated and no patience if a call was duplicated when making a pre clearance reservation.  
thanks  
Larry
