I am so sorry about that. He said he sent you an email and you responded. He called that morning and said he was heading out to see you so I assumed he had an appointment. I did not stay because I had to catch my flight. Would you like me to say something to him?

On another note, I checked in with the PA re our application. They have been in such an upheaval with the sick out and subsequent mass firings that not much has been done. Kenn is off-island again so I will press him on Monday.

I want to wish you a very Happy Thanksgiving. I am in NY with my kids and it is so warm it almost feels like home.

Warm regards,
Cecile
