There is truely something odd about this email. Perri was emailed an original invite a month ago and mailed a hard invite 3 weeks ago. It is sort of insulting to tell me the morning of the event she was never invited when I literally asked her about 5 times to come.

Jeffrey, I do not expect an answer from you - but I am a tad disappointed she would send this to me after I personally chased her down to come blaming me or my office for not getting the info to her in a timely fashion.

Peg

Hi peg just seeing this now. Eric has no problem going out - and especially likes going to movies. We just have other plans- otherwise we would have loved to come. For whatever rerasons- I didn't get an invitation, so I didn't know to hold the date.

I hope its terrific. Enjoy

I know Eric does not like to go out or to "events"...but the GG screening and dinner at Grey Gardens is going to be cool. Ariadne, Jeanne and Jenny are all coming...

There is a 5:00pm if you want to see film...stop by Grey Gardens and eat at home after...or 7:00pm with 9:00pm dinner at Grey Gardens....

Ralph Isham is bringing his house to 5:00pm because it's Ala's bday...trying to get Jennifer to come at 5:00pm too. We confirmed everyone for lunch tomorrow...xoxo peg
