Dear helen and simon.

Please can you confirm to me that we have no problems with the US tax and the british tax and they are happy that we are working to rectify all the outstanding Hartmoor and recent US tax position and the UK tax position. Lord James and Price Waterhouse are doing a full and complete audit of all my tax and accounts right up to 2010. I need to be 1000 percent sure and content that all paperwork and accounts are available for Price Waterhouse and also I need a complete clear and totally concise audit done so I can sleep at night without the mind demons working over time.

Please can you connect Lord James and Price Waterhouse to Paul Lachman too to get his last remaining pieces of information. Also connect them to Robert Fedoris if necessary.

You can get to Robert Fedoris via Eric Cowan and George Bonini who is Todd Morleys lawyer.

Eric and Paul, I have copied The Dukes Private secretary into this email, as it is very important to me that, Amanda Thirsk is helping myself and my Family get all the finances and tax uptodate.

Thank you very much.

Best wishes  
Sarah

Helen, please can you copy Lord James and Patrick Boyndon of Price Waterhouse onto this email.
