Title: FW: As Obama says "We've got problems"

We are in trouble....

**The population of this America is
300 million.**

160 million are retired.

**That leaves 140 million to do the
work.**

There are 85 million in school.

Which leaves 55 million to do the work.

**Of this there are 35 million
employed by the federal
government.**

Leaving 20 million to do the work.

**2.8 million are in the armed
forces preoccupied with killing
Osama
Bin-Laden.**

**Which leaves 17.2 million to do the
work.**

**Take from that total the 15..8
million people who work for
state and city
Governments. And that leaves 1.4
million to do the work.**

**At any given time there are
188,000 people in hospitals.**

Leaving 1,212,000 to do the work.

**Now, there are 1,211,998 people in
prisons.**

**That leaves just two people to do
the work.**

You and me.

And there you are,

Sitting on your chair,

At your computer, reading jokes.

Nice. Real nice.
