Hi Jeff,

Back from Israel. We have now worked out the business model, and I would like to know if it is possible for our CEO and strategic partner in DC to call you either tomorrow or Monday? Or, what time works best for you?

What we have worked out is a very innovative new model, and we did run it by a host of VC's who like it very much.

Like to run it now by you. I wouldn't bother you if I didn't think it was meaningful and smart. And, I know that is your sweet spot... Thanks!

Appreciatively,
me
