Below is what I received, and assumed that this was Paul's Prosperi's company.

Anyway I have just contacted airspan (Mark Brady) will be our contact. He is in Brazil until the end of next week, but I will send him the site survey and any other relevant information, for his review. Will probably meet with him in person on my way back from LSJ (29<sup>th</sup> April)

Also I'm in contact with Global Tech in regard to a question Paul asked about the Fiber optic Cable. Need to confirm that point of origin is STT with a straight delivery to LSJ.

Brice

Do you have more detail in regard Air Span, have located two companies in this area, but both are cellular based.

Can I call Paul directly?
