Jeffrey-

See attached north pavilion plan, with furniture layout from Silvina. I'll send the revised sheet A02.01 to [REDACTED] with this revision.

Thanks

Bob

Jeffrey-see attached bathroom revision, with offset entry door.

The small closet could be a linen closet accessed from inside the bathroom, but the 2 person shower would get about a foot shorter and lose a bench to allow door clearance.

Let me know what you think, and I'll update the sheet A02.01 and resend.

Thanks
