In new york. He does not answer his telephone [REDACTED]

His email address is above

I am so loyal to my john but I just don't know what to do

Eric refuses to help me help him

Eric should pay this money as john worked to clear up hartmoor offices etc and put money on his credit card for the hartmoor clean up and when john said to eric you owe me years salary for doing this, eric said no. So I said I would try my best to pay what he was owed. And this is the problem.

Subject: URGENT money update

Dear Ma'am,

Please can you give me an update on what's happening re the money I was supposed to receive this week. You said that I was to receive all the money that I am owed - both in unpaid salary and for things I expensed for you - but nothing has come through yet. I haven't received any payment/repayment of monies since February 2010. As a result I simply cannot survive much longer - the situation is that desperate now. My bank account is completely empty. I have nothing at all to live on. I've sold everything I can (TV, stereo etc) to keep going and will have to give up my apartment in the next few weeks too. I really need something, anything, to be sent through urgently to keep me afloat.

I of course also have Columbia University to deal with. I'm officially suspended and can't resume classes until I pay them in full with the money that you owe me.

I try to get through to Helen but she doesn't return my emails or calls so I have no idea at all what's going on. Any update from you will be much appreciated.

Lots of love,

Johnny xx

Subject: such a nightmare
Dearest friend,

Thank you for your words of support and apology. My what a mess we are in. Most of all I'm really upset for my parents. They have enough to worry about, what with my mum being so ill, without having to read about my financial troubles in the Sunday newspaper. And as I feared, they've had considerable follow up from the extended family which is just unfair. It's caused me a lot of grief and aggro.

You and I have been through a lot together and I know you've got a million other troubles right now, but my friend I'm really at loss as to what to do next. I'm utterly broke, penniless. In fact I raided by niece and nephew's piggybanks before leaving my parents' house, that's how broke I am.

I wish I didn't have to keep begging you for my money back, but unfortunately I have to do it again. Please, please can you help me by sending me something, anything, urgently. I have no money - nada, rien - so anything you can send me of the money you owe me will help.

Lots of love from your extremely broke friend,
Johnny xxx

Dearest John, my John Boy. My dearest friend.. I am so desperately sorry for this nightmare I have pulled you into.

I have no words to describe you kindness and loyalty anyway and now on top of everything. This.

I am so desperately sorry.

One day I would like to think we will be through this and celebrate happiness.

In the meantime I am so desperately sorry...
