How about you spend post 22nd July half the time on the island and half the time in Switzerland as base only?

Upside:

- best air & healthy following the limited florida space
- complete privacy

- nice property (villa, castle, etc) away from crowds by lake
- great technology and local infrastructure
- 2 hours flight radius to Paris, London, Milan and 3 hours flight radius to Moscow, Riga, Vilnius and 8 hours to New York

Downside:

- boring and anal

I could organise, move there and run our operations from there. The JEDS headquarter.....

Any thoughts?

David
