The best dates for me would be 27 28 April. Does that work for you. She has masses to prepare and organise for the fight w/Diandra - they want the no's by next week. All removal of stuff - renting of a new house etc. I can't drop that in case they manage to condemn my staircase in which case I have to be prepared to leave the house immediately. Let me know if that helps..if not then the end of next week - thurs fri..let me know
