Jeffrey,  
This is the exact boat I thought!  
it is kept at the same location as the Donzi,,,I see this boat all the time in use.  
the engines are 2 stroke high performance engines that get 45% better fuel economy than a regular two stroke.  
it is an amazing boat and perfect condition.  
I have left a message with the broker,,,I will try to contact the owner directly, since I see him at the dock.

**\*\*\* did you like the G5 specs?**
