**Subject:** Hi Jeffrey

It's been a week and half since I moved in with Jack. So far it's going great. I usually prefer to live alone but he makes an awesome roommate. He gives me my space and is always happy to hang out with me when I want to.

I am in the process of completing paperwork to register for massage school. They want a lot of stuff. It's kind of annoying but I am really looking forward to going there. I will probably spend more than 30 percent of time getting a massage. How great is that? :) There are also some courses in anatomy and physiology that might be interesting.

I miss you and hope to see you soon.

Love
