Subject: Hi Jeffrey

I hope all is well with you.

I completed my registration for the Swedish Institute of Massage today. I'll be taking physiology, anatomy, miology, intro to shiatsy and intro to swedish. I am very excited, especially about the science courses.

Things are going very well with [REDACTED]. We get along well. We are playing around with paper trading. [REDACTED] is making 10% a day on most days and I am watching him and trying to figure it out.

So far I am having fun. I feel financially and emotianally secure and not stressed.

Hope you are finding ways to keep busy.

I miss the fun times we had.

I look foward to seeing you soon.

Love
