PBI Generator001.pdf

To JEE,

Attached is the budget for the Generator installation received from Doug

Please note the following -

- 1: General Contractor is Worth Builders
- 2: Does not include
 - (a) \$10,000 for change over to single phase AC Unit
 - (b) Meter change by Gas Company
 - (c) Time & Material Budget - cost plus 10% to 1%

I wish to have a final review with the Generator Company while in PBI next week, to insure this proposal meets PBI building code. I would expect to have a firm budget proposal by the time I return from LSJ

Regards Brice
