Giving you a call back : ) slept in a bit as I found myself up late trying to wrap up my realeaste cont Ed. It's so silly this online stuff. On my way in. Will be reachable until 950... Then out at 6 or 7. Sorry about yesterday. I didn't keep my phone near by with my online stuff. I'll have it on me all day. Oh, and my cousins getting a divorce. Very weird. They'd only been married 6 months before she went mad and told him she wanted a baby, she hated him, he embarrassed her, she hates our family, and put on 10lbs. Hummm.
