Title: Our mutual vacations

Al Seckel and I hung out in Israel. Smart cookie. Passing your NYC domicile in NY in a cab now. Sorry I didn't get a chance to see you during this fucked up time. Now cab is passing Ghislaine's NYC abode... Con Ed is destroying the street.

I am doing what I want to... Didn't get any thoughts back from you on the hourglass initiative I'm doing... Re getting scientists involved in the policing of WMDs.. And establishing codes of ethics for scientists related to working with assholes.

Kinnernet in Israel was good... DLD this year was better than before... I didn't go to TED because I didn't feel like saving Chris's world this year.

We are going to do a fantastic Gadgetoff this September at a secret great location.

I hope you are well. Even though you are a crappy correspondent. Just passed your office and the cops have sealed off all traffic around it... Probably because this is the farewell day for your neighbor the Cardinal.

Missed you in the usual sentimental way. Al Seckel and I hung out in Israel. Smart cookie. Passing your NYC domicile in NY in a cab now.
