Ma'am

This is really hard. But you cannot allow him to emotionally black-mail you in this way. There are enough of us to deal with these issues and you must let us do so. The fact is that he has signed a release as part of the Hartmoor Settlement. He knows as well as you that your financial situation is precarious and is from what I have seen abusing your kind nature.

I also if I am frank I think he has played a role in the NOTW story.. a direct example was in this weekends paper. He is one of the few people who knew about you using the Princesses credit card and it gets mentioned in the paper on Sunday.

Helen and I will respond to him formally.

Amanda
