Dear Peter,

For soccer fans in China , how big a soccer fan one is decides how much sleep one will get in the coming weeks? I guess you don't have as much of a problem in time difference in London. So, are you a big soccer fan?

Here I have attached a plan about the private bank that I have mentioned to you in the past. It is now more organized in thought. Can you take a look and pass me your comment? Also, would you have anyone to recommend as a possible partner?

Final question, do you have a preferred time to meet on 29<sup>th</sup>?

Warm regards,

Desmond
