Emad said you put a hold on the crusher purchase pending his pricing it out.

1.we reserched multiple manufactures to find equip that might last given our hard rock
2.the reccomended unit is the hardest steel unit we found
3.it is also the cheapest price of all the units with a 10% discount and canadian dollars
4.the canadian rep has a container being shipped from Italy which we can take advantage of if we pay by friday

please get emad to move quick and not get a less durable machine
