Jeffrey,

This Chevy dealer is giving good trade in allowances for the three cars...even though [REDACTED]'s had paint work done, which they pointed out to me.

at this time, the West Palm dealer has only found a Black with Light Titanium interior 4x4 in Georgia, photos below.

I thought I would present this to you since it was Fully load, and interior color was light, Nav, sunroof, air conditioned front seats, and chrome wheels.

I found Black and Tan's on the Internet, I need to call these dealer directly, since they are not showing up on the Chevy data base the dealers use as available units.

(this is a good price for Mercedes, they notice the car has paint work, since it was in paint shop twice.
