Jeffrey,

Please let me know the status our invoices for LSJ ASAP. They are way past due - dating back to February! We and our consultants cannot carry these outstanding balances any further. In April, at the request of Rich Kahn, we did offer you a "discount" on some of our fees, to help address your fiscal concerns. I have not heard back with regard to that offer either. We have been emailing back and forth, but there has been no resolution or clear direction yet.

Please let me know what is going on with the project. I am ready to do whatever I can to help clear up any issues there may be related to our services, or to these invoices. However, I am being told that if we do not have a clear response this week, we will have to consider our options to get paid, per the terms of our agreement.

Please let me know what I can do to help resolve this!  
Thanks,  
Warwick

Jeffrey, I hate to bug you on this, but I have not heard anything back from Rich yet. Is there any update? I am getting a lot of pressure from our CFO on the past invoices.

Thanks,  
Warwick

Hi Rich,  
Have you had a chance to review this with Mr. Epstein yet? We are anxious to get any questions resolved, and to continue to work on Mr. Epstein's Pool Area and Screening Room!

Thanks,  
Warwick
