Hi..I'm not so good anymore..yesterday we met again and it was amazing..we were holding hands and when he was leaving I kissed him...  
And he never texted me after that...I couldn't sleep all night.  
The problem is that he is w this model for 2 years, they live together but for last year she has been very depressed and doesn't wanna get help..so he is very unhappy w her  
But I guess he didn't text me cuz he feels guilty
