Sooo, the lips are ummm, huuuuhhh. One side looks good. Not so good for the other... He didn't even look me dead-on before sticking the needle in. :( The good side is very good, the bad side is very bad... [REDACTED] is also ready to move on to a single belly button! That would be nice. Thank you so, so much. It feels nice to be able to do these things - improvements. I hope your travels were seamless and can't wait to show you my one sided duck bill!

Also, [REDACTED] stayed over last night... The slime-ball snapped at a guy who was speaking to her at a party and came over and hit the guy. She was uncomfortable to say the least so I picked her up from Soho House, luggage and all, and she's here with me. Sweet as always, but needy. Wow. Is this what it's like? I've advised her not to pick up her phone and she has it off. (Let me know if that was a wrong move or if she should speak with him to say "Thank you and goodbye") She will be with my sister for the day. ; ) Brownies with whipped cream for us? My sister's number is [REDACTED] if you'd like to get ahold of either of them.
