Jeffrey,  
My main inverter failed tonight, I will replace tomorrow, no problem in cockpit,  
plenty of back up power, just wanted to let you know.  
I'll keep you posted

Thank you,

Larry

Ps; sikorsky meeting didn't go so well! They removed the satilite phone and pilot  
and co pilot chart holders for No reason, that's how they came up with the lower  
quote, Howard is aware of my dis pleasure in this
