### Prince Andrew mingles with glamorous New York ladies

*Last Updated:* 1:33 AM, December 3, 2010

While London is buzzing with royal wedding fever, **Prince Andrew** has been sizing up NYC ladies. The divorced prince mingled with the city's most glamorous including **Laura Brown, Mary Alice Stephenson, Tatiana von Furstenberg** and a bevy of models at a party at the townhouse of his pal **Ghislaine Maxwell**. A source told us, "Since Ghislaine recently split up with her partner, this was almost like a singles party. The prince seemed to be enchanted with many of the women in the room, especially one particular willowy blonde."
