Jeffrey: just left the Chairman's Council lunch at Kennedy Center. Nancy Shevell, Barbara Walter's niece is dating Paul McCartney.
Paul is an honoree tomorrow night...and of course Babs is glued to his and Nancy's hip. We should invite Paul McCartney to dinner....or you should WITHOUT ME Monday night or another night.

Bryan: can you look into what Jeffrey has just sent me about iphone...
Washington is like a foreign country...weird hair and clothing. xoxo Peg

Hey,

I just downloaded an app for my iPhone called WhatsApp.

It is a Smartphone Messenger which allows me to replace SMS and chat directly with my friends and contacts. This app even tells me when somebody is typing back a reply!

WhatsApp integrates seamlessly with your existing phone Address Book and there is no PIN or username to remember.

Get it now from <http://www.whatsapp.com/download/> and say goodbye to SMS.

Sorry for all the typos .Sent from my iPhone
