Good Morning,

You only wanted 3 at the Heli pad, and we Will have enough Coconut Palms for all we layed out, plus a few extra left-overs. All the coconuts, and fishtails have been measured, tagged and labeled, according to where their new homes will be.

I want the Library and Master Bedroom done aswell! Machinery has been our problem, as soon as we can get the crane, we'll get it done.

So in the mean time we have been getting other things off our list completed.

The fishtails will be ready to move and plant by the Laundry by next week Wednesday or Thursday.

We are working the weekend to expedite your requests.

I will have Emad take pictures early next week so you can see our progress.

Enjoy your Weekend,

Thank You,

Igala
