So you know his Bro? I want to email/contact someone who runs the companies or Keith himself...

Went to Pastis the other night... We paid dinner half cash half cards... Saw the manager pocket the cash (oddly enough I happened to look over) anyway now I'm getting charged the cash he put in his pocket on my debit card... Figure If I go over there and say something nada will happen... Not cool! I'm sure I'm not the first.. Just on top of my funds, ya know!

So how are you?? Where are you???
