Is there room here at 71st

Do we help them find a storage facility?

I believe Janusz had to put the items all back in the U-Haul ...

Janusz is at the place Gulsum has rented out with all their items in the lobby...they are being told they CANNOT bring in the following:

2 big high back chairs, microwave, toaster, and king size bed

Should I have Janusz take these items to 301 storage? [REDACTED] is there room there?

(Janusz says the place they have rented is the size of a closet)
