Title: Re: Hi Jeffrey- sorry I'm not sure I understood your question. If you mean is Al around to show the film Saturday- he is deep in rehearsals for the merchant of venice. But if you want to see the film perhaps Peggy can arrange for it on Monday night? If not, let me know when and I'll try to set something up. At the moment I'm trying to capture Al's attention myself for my project as he is buried in work... So just let me know.

What's new?

Best,
Nick
