Didn't an Arab invent Viagra?

Sorry for typos -- iPhone keyboard feature

you're really good! ;-) you've been on my mind a lot today.

Just gave a talk in Philadelphia. Hung out with Barnaby and we had a mutual admiration moment about you. We also talked about genius...and eugenics...

Saw Marty Seligman and his wife -- he appears to be thriving.

was on a plane east with Frank Heidt -- Pablos' pal who is freakin' spectacular when it comes to security issues (global, financial) -- you may want to invite him to your january meeting.... I asked Pablos if he'd been in touch with you and he mentioned that he'll be seeing you in January.... Frank is AMAZING.

Spoke with Tom P -- and he mentioned that you were just in the middle east doing interesting things... I'd love to hear more...

Dave Gallo tells me that Ghislaine and Ted have broken up -- sorry to hear that... she doing okay?

Enjoying Paris? Hanging out there for a while?

I'm writing... preparing a book proposal by Feb., I hope -- this is one that was requested, not on the other stuff I'd been working on -- Marty Seligman's agent is the requestor....

Just had a boatload of medical testing -- thyroid still WAY off, and VERY deficient in magnesium and glutathione and glutamine -- all tied to genetic variation -- trying to get to the bottom of the food allergies and weight.... making some progress, finally.

I speak with [REDACTED] once a week. They're adjusting to LA.

What's up with F?

xo
