I just talked to [REDACTED], she found out all info about the school. Her visa is still pending (it's normal and can take up to 3 months), but she can start taking classes from November 1, Monday. She already chose the schedule everyday 8am-10am, but thinking about changing it for the afternoon. She doesn't need to pay anything now, because she already payed for 3 months when she applied. So it's all good, she will start on Monday. And she asked me to thank you very much for caring! She is now home with cold..

I guess [REDACTED] has the same story with school, don't know why she doesn't call me back, but I'm trying to reach her.

And I'm working on new! When are you coming back?
