Hope your trip went well. Actually jealous that you will be in the middle of the warm desert. My Austrian friends name if you are interested is Dr. Marie-Caroline Von Weichs. She speaks several languages and has a phd from Oxford in Molecular Biology. She has viewed your website and knows a few of the scientists, one in particular was at oxford with her. She would be very interested in talking to you and although she is in austria she could meet you in Paris.

Completely up to you from here, her number is [REDACTED] and her email is: [REDACTED]
Good luck
