Dear WE Forum and Publicis Live -

I have not heard back from you but I am sending a final check from my end before I finally board
the Marrakech-bound flight from Madrid tonight here at the Madrid airport-
it is 7.45pm Spanish time.

I utterly trust that you have been able to confirm the funds in by the end of this day your time,
into the two different bank accounts that you requested - those references from my end were
being sent independently of me by the wiring party in the United States, as I have been traveling
the past 24 hours and am still en route - so I can have no visibility myself into the confirmations.

Kind Regards, I look forward to meeting you all and to speaking on the panel and participating in
the Forum of course.

Isabel

Dear Ms Maxwell,

We thank you for your email and confirm you that your booking is well in

order. We understand that we will receive the proof of wiring on Monday to be able to finalize your reservation and update the hotel about the payment. But your room is well reserved from Oct 25th to 29th and ready for your arrival.

We have well confirmed with the hotel that your room will be non smoking.

We wish you a safe travel and look forward to welcoming you in Marrakech.

Kind regards
Marion

Hello!

I do confirm that the money wire for the hotel WAS SENT yesterday,

- and so also was the money wire to the WEF separately - their fee.

Unfortunately, I understand that I will need to wait for Monday am EST to have the "proof of wiring emailed to you" that you have requested -

It will be emailed from a third party who has wired the funds.
I will be en route to Marrakech by then but trust that all will be fine and that by the time I arrive in Marrakech, you will indeed have already received the proof you need and that my room will be waiting!!

btw very very important that it be NON-SMOKING PLEASE!

Can you confirm that for me please! Of course I totally understand that you will only be doing so upon receipt of my proof of payment !!!
:-)

Thanks so much.

Best,

Isabel
Best regards

Isabel

Dear Ms Maxwell,

Both options could be followed, either the wiring or credit card on site.

However, in case you prefer the wiring option, please send us a copy of it.

Indeed , it may not been received at time . So, we prefer to have a copy to avoid you any inconvenience at the registration desk

I stay at your disposal for further information

Best regards,
