I understand. I am just trying my best not to disappoint you, that's all. I am happy to let you take this over. Nevertheless, the group that I assembled is excellent, and Frances Arnold just was awarded one of the most prestigious awards in science last week, \$500,000. She is on her way to a Nobel that's the inside scoop.

Hello Al,

Upon assessment, I'm afraid we have some concerns about working for this prospective client.

We have no problem helping someone who is innocent of accusations or a true victim of circumstance, but if there is truth to these allegations and the conviction, I'm afraid we'd have to pass.

Do you personally know how much of these allegations are true?

Sincerely,

Gregory Markel
