**Subject:** RE:

our crews can start the demo of the old pool and excavate the new and form the box .while that is happening we could have DeJonge walk a permit thru to replace existing pool.  
we have a contractor who will pipe plaster and equip the new pool.

1.20x70?  
2 have Brice mark the 4 corners of the water line  
3 deep end(10'?) east end?

do we have a contractor , ? or how do we build it.. I think we can start it , to initiate our permit.  
we can excavate , etc
