Yes. Tom and Jeffrey spoke today, and we have some direction on how to develop the pool area. We can work out the stair from the main residence, past the kitchen, to the master bedroom and service road this week.

It does not look like we will be ready to meet next week in Santa Fe. We will send out some new sketches for the pool and living room in a couple of days. If we are on track with that, we will set the next meeting after we have a chance to refine the design to the next level, probably in a couple of weeks.

Thanks,

Warwick

Warwick

While we're waiting for Jeffrey can you take the bedroom stair plans to the next level?

Hi Jeffrey,

Preliminary plan for review during our call this morning. Can we speak at 9am PST (just under an hour from now)? Tom and I can call you from a speaker phone in a conference room.
