Got nothing from [REDACTED]. I have checked all my emails every day and sent a reminder. I also asked you to write some things up in your own words so this is not last minute.

You gave me a non-working number. And both pablos and I also have other commitments. I am here at something that has been scheduled for months and I am supposed to heavily contribute to, and that includes pablos. I also had a scheduled talk. Pablos said he would contact you. I will call you in a few.

Jeff,

It is now Saturday, and I have not received any of the content that we needed, and I was supposed to have it early this week. This throws our schedule off.

Also, I need two (IN YOUR OWN VOICE) and so I can't write it, TWO 400 word articles (so it is not a lot) of why you support science. I need this today and I mean today. It shouldn't take you more than a few minutes to rattle it off to your assistant, who can send it to be transcribed. This is extremely important.

it also has to be good, not perfunctory.

Thanks.

Al
