SBA Low Tax

George said he spoke with you yesterday about this matter and there is nothing to do at this point

Seed Media Group

Still going thru numbers but at first glance their projections and assumptions for 2011 and 2012 seem very unrealistic.

2011 is projecting 2,365,750 (200% growth from 2010) in revenue and 2012 at 2,995,410

2009 revenue: 1,495,938

2010 projected: 872,026

May

Darren was not happy with her research on document sharing. I just gave her another assignment on Quickbooks Online.

New Accountants

Harry and I met with one firm today that seemed good. We have other meetings Friday and Monday.

Wayne Holman

I read his firm literature and other than 2008 when he had 1 stock blowup he has had very good returns. Although his presentation was poor it may be an interesting opportunity.
