I cannot wait till 19;) I didn't have a chance to ask tell you. My dad wanted to help me out with living because my lease is up and I don't have place where to go. He send me 70k to look for place to buy so I don't have to pay that much money for rent. that was all he had saved for me. I have found amazing place in complex where I live now but it is 95...so i wanted to ask if you could help me out and I will give it to you back. I would take a morgage but since I don't have social security number I would not able to get one; (
