Jeff,

I am very reluctant to do any more "pseudo" interviews. As you say, it is my voice, not yours. Now, I do know that you are excellent at asking interesting, penetrating questions. So, how about this.... I will conduct the interviews on your behalf, but you supply the questions. I need no less than 15 questions from each subject. Please put the questions in a form that is accessible. I would like to conduct interviews with the following individuals, are personal friends, and will easily grant me the time, if I ask. this is a start. Obviously, my list goes on, but these would be interesting interviews. Can you do this?

Kip Thorne  
John Schwartz  
Michael Douglas  
Frances Arnold (I would like to put this back into your voice)  
Christof Koch  
Patrick Cavanagh (vision scientist you met at Harvard)
