Thank you Jee!

Unfortunately I need to cut my trip day short - already at the airport. This was almost as short as your trip to Australia ;)

Sultan Ahmed - great meeting you via email. I am so sorry that during this trip I will not have chance to meet one of the of the greatest (and most fun) people in the middle east. Looking forward some time in the near future. Also, please let me know if you are coming to USA.

All the best

Boris
