Subject: Nana's Windows

Jeffrey,

To my amazement I received an e mail from Ocean Dynamics about Nana's windows with an estimate of \$ 2,992 for him to prefabricate the windows.

I called him and informed him this was insane and that we will never pay an additional dime for a screw up done by them and he needs to take the loss on this and if he didn't it will ugly. He told me to give him a couple of days to see if anything can be done or not.

Thank you

Emad Hanna
